

Technical Information

Carbolron

Description:

A liquid water-soluble organic iron complex, which can be applied as a foliar spray or soil treatment.

Physical & Chemical Properties:

Analysis:	(% w/v)
Iron (Fe):	4.90
Appearance:	Dark liquid
Odour:	Fruity
Solubility:	Water soluble
Specific gravity:	1.21 – 1.24
pH (1% w/v solution)	6.0 – 7.0
